

AY FOUNDATION

AY FOUNDATION

- Established by **Amb. Alfonso T. Yuchengco** in **1970** to administer an educational fund for the children of Grepalife employees and sales associates. The program later expanded to include street children and members of the indigenous groups.
- Guided by the principle of Amb. Yuchengco's Cycle of Giving or what he calls the "Social Return on Investments (SROI)", **AYF** undertakes various social developmental programs nationwide focusing particularly in the education, health and nutrition, values formation, and disaster relief.
- Now, AYF is the social development arm of the Yuchengco Group of Companies (YGC) or known as the heart of YGC.

AY FOUNDATION, INC.
The Heart of YGC

VISION

A focused professional foundation that will make an impact on moral values and social development in Philippine society.

MISSION

To contribute to the improvement of the quality of life of the Filipino - especially the poor and the disadvantaged - particularly in the formation of moral values, education of our youth, and advancement of the public well-being through improved healthcare services.

GOALS

- To provide educational assistance to financially needy but deserving Filipino youth, especially members of the indigenous groups, center-based street children, and dependents of employees of the YGC;
- To contribute to the formation of moral values in our society, especially among the youth (e.g. National Discipline);
- To provide poor Filipinos in far-flung communities with access to quality medical services.

PROGRAMS

EDUCATION

- Scholarship Program
- Classroom Project

AWARDS & RECOGNITION

- National Discipline Awards

“Corporate well-being is manifest not only in hefty dividends. It is also evident in community integration and responsiveness... It is not enough to have successful business ventures. It is just as important to respond to the needs of the community we find ourselves in.” – Ambassador Alfonso T. Yuchengco

THANK YOU!
