

ETHICAL AND RESPONSIBLE VENDOR MANAGEMENT COMMITMENT

House of Investments, Inc. is committed to ethical procurement, focusing on responsible and sustainable vendor selection. We ensure vendors meet quality and reliability standards, have a proven track record, and promote ethical business practices, fostering a socially responsible culture.

Our vendors are expected to uphold high standards of ethics and integrity, delivering quality products and services. Our Vendor Management policies balance control and cost-efficiency, mitigate risks, and ensure strategic alignment, fostering collaboration and innovation.

We have an effective system to measure and evaluate vendor performance, optimizing costs, minimizing risks, and driving continuous improvement. This system ensures service levels are met and vendor relationships achieve their value.

Effective vendor relationship management at House of Investments, Inc. cultivates strong partnerships, fosters innovation, and drives mutual success.
